

**WOLF ARCHITECTS RECEIVES BEST OF HOUZZ 2015 AWARD  
AS ONE OF AUSTRALIA'S TOP HOME PROFESSIONALS**

*Over 25 million users in Australia and around the world select the best of  
Home Building, Renovation and Design*

**Melbourne, February 18h, 2015 – Wolf Architects of 28 Grandview Road, Chadstone** has been awarded 'Best of Houzz 2015' for **Design** by [Houzz.com.au](http://Houzz.com.au), the leading platform for home renovation and design. The **award winning international practice** was chosen by the more than 25 million users that make up the Houzz community (with over 1 million in Australia). **Wolf Architects** was selected from among more than 500,000 home professionals worldwide!

The Best of Houzz awards fall under two categories: 'Design' and 'Customer Satisfaction'. Design awards are granted to home professionals whose work was the most popular among the more than 25 million monthly users on Houzz, affectionately known as 'Houzzers'. Customer Satisfaction honours are determined by a variety of factors, including the number and quality of client reviews received by a professional in 2014.

Winners of the awards will receive a 'Best of Houzz 2015' badge on their profiles to highlight their talents to the community. The badges will highlight the award winner's popularity and satisfaction rating among their peers on Houzz, distinguishing them to Houzzers around the world who discover and love their work.

**About Wolf Architects:**

Wolf Architects is more than just an International Architectural practice. We are a name that represents excellence and this reputation permeates through everything we do from the quality of our drawings through to the finished built product. Wolf Architects is a practice that prides itself on thinking expansively and always pushing its ideals, combining great design with quality service while always being innovative. As such it has won numerous awards with frequent appearances in media including national television. Regular invitations to lecture and write articles related to architecture or design have established Wolf Architects as not only experts but also as a valued opinion in the industry. Working with Wolf Architects means you work with interesting people, who stand out amongst the crowd because they don't always think only like architects, but as people who enjoy the art of living. Our brand means you will have a quality product whilst also benefitting from our reputation. It carries significant weight and gives a statement when trying to gain approvals and in the long term it will enhance resale value. Lastly the simple joy of living or working in a space that positively enhances your life is priceless. Thus the choice to work with Wolf architects is about having a brand that provides peace of mind.

Jason Chuck, Managing Director of Houzz Australia, says: "It's great to see **Wolf Architects** recognised as the Best of Houzz from across Australia and more than 500,000 businesses worldwide. It's a genuine tribute to their expertise when the award is judged by our community of homeowners and design enthusiasts who are actively building, renovating and decorating their homes."

"For homeowners, Houzz.com.au provides them with everything they need to build, renovate or decorate their homes, connecting them with not only the best home professionals and products from Australia, but also from around the world. Our community in Australia is already over 1 million and growing every day."
